- C) Revise PBIs No. 2 & No. 3 (see attached); and,
- D) Insert RFP Clause B.8 as follows:

B.8 PAYMENT OF FEE IN THE EVENT OF INCOMPLETE PLANNED WORK and PAYMENT OF ACCELERATED FEE

- Some Performance Based Fee shall be earned based on the successful completion of cleanup goals established under contracts outside the direct control of the Analytical Services Performance Contractor (ASPC).
- If the ASPC is unable to earn the entire base fee due to another contractor's inability to perform its planned work, but the ASPC has performed all actions in its control to make the contractor successful and is fully prepared to support all planned work, the ASPC may still earn fee not to exceed 50% of the established dollar amount of that planned work which could not be performed. In this case, fee will be based on work performed; readiness and planning to do all expected analyses, and a record of performance showing that all work could have been performed if samples had been delivered to the 222-S Lab for analyses.
- Acceleration. Acceleration is work in addition to the work in the planned baseline, which will be defined and measured on a yearly basis.
- Acceleration Fee. Acceleration Fee is the prorated fee paid according to the accelerated workscope planned vs. the work performed. The fee available in this category is limited to no more than 50% of the base fee allocated to a specific Performance Based Incentive (PBI), which will be allocated on a Fiscal Year basis - the base amount to be defined upon contract award. No acceleration fee will be earned until all related base fee goals have been met. Acceleration fee goals and amounts will be discussed and agreed to as a part of the PBI negotiation.

D) Section J, Appendix 2, PBIs-2 & 3 have changed to be consistent with Section B above. A copy of those PBIs are attached to this amendment.

Note that potential offerors are required to acknowledge this amendment and return one copy to the Contracting Officer, Clo Reid, Contracting Officer, Department of Energy, Office of River Protection, 2440 Stevens Dr. or P.O.
